Test 7

Read the following text and answer the questions.

Shortly after the war, my brother and I were invited to spend a few day's holiday with an uncle who had just returned from abroad. He had rented a cottage in the country., although he rarely spent much time there. We understood the reason for this after our arrival: the cottage had no comfortable furniture in it, many of the windows were broken and the roof leaked, making the whole house a damp. On our first evening, we sat around the fire after supper listening to the stories which our uncle had to tell of his many adventures in distant countries. I was so tired after the long train journey that I would have preferred to go to bed; but I could not bear to miss any of my uncle's exciting tales.

He was just in the middle of describing a rather terrifying experience he had once had when his small siling boat was carried out to sea in a storm, when there was a loud crash from the bedroom above, the one where my brother and I were going to sleep.
