Test 13

1.False 2. False 3. True 4. True

2.small, lake, big, back

(8 marks)

Listening text

Harun lived in a small house, beside a lake. At the back of the house there was a big hill. Lots of mangoes grew there. He set out to pick the fruit with his little brother. They would take the ripe fruits and eat them with family members as they climbed the hill. Harun began to pick the fruits. Soon their basket was full. They sat down on a big rock for a short rest.
